ASTER FLORIST NEW UPRIGHT SINGLE RAINBOW MIXED (Wilt Resistant).

This new habit in Rainbow Asters perfected for the Los Angeles market and shippers has really reached its height of perfection. Instead of regular branching habit this variety grows perpendicular, providing a fast cutting and bunching aster. Flowers grow very even at the top. Single and often semi-double blooms appear. The mixture contains all the bright, popular aster colors and this year we offer this to our trade as a flower worthy of your attention. Tr. Pkt., 25c; $\frac{1}{4}$ -oz., 35c; 1-oz., \$1.00; lb., \$12.00.
